

Vietnam Packet Tracer Competition 2020

The Vietnam Packet Tracer Competition is open to Cisco Networking Academy students in Vietnam. All students will compete on the same dates and times listed below.

This is a great opportunity for students to compete against other students to test their ICT/networking skills and gain recognition with potential employers.

Competition Goals:

- Reward and recognise top students
- Encourage interaction amongst students at a Cisco Academy as they compete
- Motivate students to study harder to succeed
- Identify top talent for recruitment prospects
- Increase awareness of The Networking Academy program to employers through media coverage
- Encourage students to continue their studies in the IT field
